

APPEAL NO. 031169
FILED JUNE 30, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 15, 2003. The hearing officer determined that respondent (claimant) sustained a compensable injury; that she timely reported her injury; and that she had disability from September 13 through September 16, 2001, and from September 20, 2001, through the date of the hearing. Appellant (carrier) appealed the determinations regarding injury and disability on sufficiency grounds. The file does not contain a response from claimant.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. The hearing officer could determine that the medical notes of Dr. B proved causation and that claimant sustained new damage or harm to her shoulder. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
